MEHSANA

ORGANIZED ON
(14th MARCH 2016)

ORGANIZED BY
MECHANICAL DEPARTMENT
GROW MORE FACULTY OF ENGINEERING, HIMMATNAGAR
As a requirement of today's world for additional credentials with the regular Degree certificate, and thus to make students aware of the importance of such technical Knowledge, a seminar on “3-D PRINTING TECHNOLOGY” was carried out at GMFE on 13th MARCH, 2016.

This seminar offered by the SAI CAD, MEHSANA. In mind the importance of such activities seminar was attended about 120 students of 4th, 6th and 8th Degree Mechanical and faculty members of Mechanical Dept.

The opening ceremony of the program was started with a formal welcome by Rajnikant Rathod (HOD-Mechanical Dept. G.M.F.E). He gave an auspicious speech on 3-D Printing Technology.

Mr. Hiren Panchal (Technical Manager, SAI CAD, MEHSANA) delivered speech & give deeply knowledge for Industrial Application on 3-D Printing Technology.
An opening ceremony was ended with the vote of thanks by Prof. Darshil Ladha (Asst.Prof. in Mechanical Dept.) As per our plan the seminar was started on 14th March. On that day all the basics about theory and software were covered.

At the end of the seminar, the students were very much enriched with the technical work and knowledge shared by the expert. The oral feedback from the students was taken and response was very good.
