As part of 10 year vision, YMIS planned to support society, and our Managing director Masaki Asano San envisaged the YTS project. Through this project we impart technical training to underprivileged youths including girls and ensure their employment at Yamaha dealerships. This helps the youths immensely to improve their, their family’s and their community’s life style.

**YTS**
- Operational: 13
- Under preparation: 8
- Plan: 4
- Total by Dec-2015: 25
Yamaha under its CSR activity is doing what Government of India is having as main agenda. And they are “Skill India” and ‘Make in India”. Hence in recognition to Yamaha’s efforts in these lines, Ministry of Skill Development, Government of India had awarded recognition to YTS course under NCVT (National Council for Vocational Training).

“Yamaha” signed MoU on 24-April-2015 with Ministry of Skill Development and Entrepreneurship Government of India.

Yamaha is the first and only two wheeler company with this certification.
