VISIT TO ADANI POWER PLANT - MUNDRA

ON 12 -13TH APRIL 2015

FOR DEGREE 6TH MECHANICAL STUDENTS

Grow More Faculty of Engineering organized an industrial visit for 6th Sem. mechanical students. Total 38 students and 2 faculty members visited Adani power plant which is located at Mundra. They were also visited the Fortune Edible Oil Refinery which is produced fortune refine oil from edible oil.

**Information about Adani power plant**

Capacity of thermal plant 4620 MW (5 X 660 MW + 4 X 330 MW)

Largest single location private coal based power plant in the world.

Adani Power created history by synchronizing the first super-critical technology based 660MW generating unit at Mundra. This is not only the first super-critical generating unit in the country but also the fastest project implementation ever by any power developer in the country with synchronization within 36 months from the inception.
