Grow More Faculty of Diploma Engineering
Report on Seminar on AutoCAD (18th March 2015)

As a requirement of today’s world for additional credentials with the regular degree certificate, and thus to make students aware of the importance of such technical Knowledge, a seminar on “AutoCAD” was carried out at GMFDE on 18th March 2015.

This seminar offered by the Corporation. In mind the importance of such activities seminar was attended 91 students of Diploma 4th Sem Mechanical & Civil, 6th Mechanical and faculty members of Mechanical & Civil Dept.

The opening ceremony of the program was started With a formal welcome by Mo.ojer (HOD-Mechanical Dept., G.M.F.E). He gave an auspicious speech on Autocad. Mr. Jayendra Bhihola (CAD CENTER Computers, Gandhinagar) delivered speech & give deeply knowledge for Industrial Application on Autocad.
An opening ceremony was ended with the vote of thanks by Prof. Pintu Prajapati (lecturer in Mechanical Dept.) As per our plan the seminar was started on 18th March. On that day all the basics about theory and software were covered.

At the end of the seminar, the students were very much enrich with the technical work and knowledge shared by the expert. The oral feedback from the students was taken and response was very good.

CAD was founded in 2002 in Gandhinagar by technocrat promoters. CAD CENTER vision is to provide "Best quality - high end training on AutoCAD, ProE, CATIA, IDEAS, and SOLIDWORKS etc. basically for Mechanical and Civil also for Automobile Engineering."
