Campus placements play a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Recruiters visiting engineering colleges seek for candidates who are ready for the industry and have the etiquettes necessary for the corporate world.

During campus placements, recruiters test for an array of skill sets in their potential employees. In addition to being knowledgeable in their core subjects, students should also possess great aptitude, reasoning and soft skills.

This is the reason why we had organized Pre Placement day for developed courses specific to placement training for students.

The Placement Training course helps students enhance their employability skills. SMART offers various course options for Placement Training.

We were organized pre placement day on 14th Feb 2017 and total around 70 students partitioning. There was total 3 round and time schedule as bellow.

1st Round. -Aptitude Test- 10.30 A.M. to 11.30 A.M. (Venue:Room no 106)
